

2023 CASA

Older Youth Needs Supply Drive

& MLK Day of Service Activity

Youth in foster care are often not provided with name brand or other products designed to meet their unique cultural skin and hair types.

CASA seeks to change that. From 1/2/23-1/16/23 CASA Youth Advocates will be collecting skincare, haircare, hygiene, and makeup items for older youth served by the child welfare community.

On MLK Day, our supporters will come together to sort and distribute care packages to youth.

You can find the wish list on Amazon:
