DONOR-ADVISED FUNDS

Charitable Giving Accounts

AT THE FOUNDATION FOR DELAWARE COUNTY

SIMPLE AND CONVENIENT

WHAT IS A DONOR-ADVISED FUND?

A donor-advised fund (DAF) is a giving vehicle that provides you with immediate tax benefits and allows you to support your nonprofit(s) of choice through grants on your timetable. DAF Funds are the most efficient, cost-effective alternative to private or family foundations.

WHO SHOULD CONSIDER A DONOR-ADVISED FUND?

Individuals, families, or groups who want an efficient, cost-effective solution that will give them the flexibility to make grants to multiple charities (domestic and international) over time.

WHAT ARE THE BENEFITS OF A DONOR-ADVISED FUND?

- A simple, low-cost charitable fund that is easy to set up.
- Administrative convenience - the Foundation handles all the administrative details and tax forms, and issues grants to the nonprofit(s) named in your fund. You have one tax receipt instead of multiple receipts from the nonprofit(s) you support.
- Opportunity to name the fund after yourself or in honor of family, a friend, or an organization (e.g., the Bob Ross Family Fund).
- Less costly and easier to administer than other forms of philanthropic giving (such as family or corporate foundations).
- Involve family in your philanthropy.
- Option to give anonymously.

At a Glance

- **Minimum to establish: \$1,000 (\$10,000 is necessary to begin granting).**
- **Grants may be made to eligible nonprofit organizations in the U.S. or worldwide.**

WHAT ARE THE TAX ADVANTAGES OF A DONOR-ADVISED FUND?

- Receive the maximum income tax deduction available in the year the contribution is made.
- Avoid many of the restrictions imposed on private foundations.
- Deduct the value of your gift for tax purposes, and distribute grants on your timetable.
- Avoid estate taxes on donations to your fund at the Foundation.
- Avoid capital gains taxes on donations while realizing the maximum tax deductibility of a donation with a gift of appreciated stock, real estate, or complex assets.

HOW DOES A DAF FUND WORK?

- Donor gives assets to establish a fund at The Foundation for Delaware County.
- Donor evaluates and recommends grantees/nonprofits (with the assistance of the Foundation if requested).
- Our professional staff ensures that the nonprofits you wish to support are in good standing.
- The Foundation distributes grants from the fund to eligible nonprofits

WHAT ARE THE MINIMUMS AND FEES?

A DAF may be opened with as little as \$1,000 (\$10,000 is necessary to begin granting).

Your DAF is assessed an annual administrative fee of 1%. Minimum fee is \$250.

The ability for your contribution to be invested and grow tax-free is a key benefit of a charitable giving fund with the Foundation. Annual investment management fees paid to the investment management firm are variable (0.6- 0.7%).

More of an impact: At commercial institutions, fees generated from DAFs become revenue that can be used at the firm's discretion and primarily benefits stockholders. At the Foundation, fees not only cover the cost of fund support donor services, but they fund the work that enables our communities to thrive: community convenings, strategic grantmaking, and nonprofit training.

THE FOUNDATION FOR DELAWARE COUNTY

We are more than just a platform for charitable funds; we're at the center of a community movement. The Foundation empowers individuals, families, and businesses to maximize their philanthropic potential. We are a catalyst for smarter philanthropy - not just donations, but strategic investments in our shared future.

The exponential power of collective action has transformed the Foundation into one of the largest philanthropic engines in the region. Each year, we distribute more than \$2 million dollars in grants to dozens of nonprofits and community groups that provide vital services and resources for our neighborhoods.

Our work stretches beyond financial assistance. We support local nonprofit organizations by providing skill-building events, training, and resources for staff and board members. We provide forums for funders, government officials, and nonprofit leaders to converge, learn, and foster a dynamic, interconnected community that works together.

Our connection to the communities we serve isn't distant or abstract; it's deep and personal. Our public health programs directly impact thousands of individuals each year, allowing us to both offer essential services and gain a true understanding of community needs.

Join us. Together, we can shape a future where compassion fuels change, where collective generosity amplifies impact, and where we, as one community, empower lives and redefine the landscape of philanthropy.
