**Position:** Public Health Nurse/Nurse Home Visitor- Bilingual in Spanish preferred

**Program:** Nurse-Family Partnership

**Supervisor:** Nurse-Supervisor

**Salary:** \$60,000 (\$62,000 if bilingual)

**Duties and Responsibilities:** The Nurse-Family Partnership (NFP) Nurse Home Visitor is responsible for providing comprehensive community health nursing services to women and their families eligible for the NFP Program. Nurses maintain the highest standards in clinical nursing practice, adhering to the NFP model and to policies, procedures, protocols, guidelines, and standards of NFP and of The Foundation for Delaware County. Women are enrolled by the Nurse Home Visitor during pregnancy and home visits continue until the child is two years old. **Currently, during the COVID-19 pandemic, nurses are using telehealth to connect with their clients.** The Nurse Home Visitor provides screenings, education, support, and referral resources and assists women and teenagers in attaining their targeted goals. A caseload consists of 25 clients or more. The Nurse Home Visitor completes all required education, including virtual training with the NFP National Service Office. Charting and data entry are completed within the appropriate time-frame. Weekly NFP team meetings, case conferencing and reflective supervision are required. The position is full-time.

Although nurses work independently with clients and must be self-motivated, NFP takes a team approach to supporting their nurses. For more information about this unique public health nursing opportunity, please visit:
