

# MLK DAY

## CASA 2022 DIVERSE BOOK DRIVE

On Martin Luther King Day 2022, our CASA community will participate in a day of service by helping pick up, sort, and deliver the books collected during the drive. Our goal is to give approximately 1,500 children and youth a diverse book. We believe that all children should be able to see themselves and others reflected in the books that they read. This means various aspects of identity, including family, gender, race, ethnicity, culture (such as traditions, songs, nursery rhymes), language and how language is used, religion, socio-economic status, immigration experience, and other aspects of identity and lived experiences.
