Are you pregnant?

HEALTHY START is here for you!

Our staff can:

- Help you get early and regular prenatal care
- Check in with you regularly about your pregnancy and your baby’s development
- Share information and resources to support your health and the health of your baby
- Help with applications and forms for programs and benefits
- Connect you to other valuable programs in the community
- Advocate for you with other agencies for the services you need
- Connect you to an attorney for help with legal needs

Be part of our extended family!

Healthy Start provides services at no cost to families.
Every Family Deserves a HEALTHY START!
Your referral could make the difference.

Healthy Start is a free program providing the following services to pregnant women and families with young children:

- Referrals and ongoing healthcare and resource coordination
- Parenting support and child development education
- Nutritional counseling and breastfeeding support
- Limited civil legal assistance through the Medical-Legal Partnership
- Care coordination and home visits
- Links to social services
- Special events and health promotion classes
- Counseling services and referrals to behavioral health programs, including smoking cessation and drug and alcohol services

Now Serving All of Delaware County!

Referrals must be made during pregnancy or before 10 weeks postpartum
