

**The Foundation for Delaware County
JOB Posting**

Position: Clinical Nutritionist (Full-Time)

Program: Women, Infant & Children Supplemental Food Program (**WIC**)

Supervisor: WIC Program Area Manager

Salary: \$36,920 (\$17.75 hourly)

Responsibilities: The Women, Infant & Children Supplemental Food Program (WIC) Clinical Nutritionist is an essential worker responsible for working as a WIC Competent Professional Authority (CPA) in assessing the program's needs and providing nutritional education to our clients at the Eddystone, Springfield, or Upper Darby locations for The Foundation for Delaware County (TFDC). A Clinical Nutritionist is also responsible for meeting and greeting WIC clients, along with assisting them in their enrollment, benefit issuance, and nutritional development. Responsibilities also include community outreach through networking with community programs and representing the Foundation's WIC program in the community. This position is contingent on the Foundation's continued administration of the Grant in Delaware County.

Qualifications:

- Bachelor's degree in Nutrition, or Dietetics required
- Child abuse clearances as mandated by PA Act 33 required
- Basic computer, typing and data entry skills required
- Strong interpersonal communication and organizational skills required
- Excellent written and verbal communication skills are a must
- Must have reliable transportation to fill position
- Experience in nutrition counseling and WIC office is a plus
- Experience working with diverse populations, communities, and organizations
- Spanish speaker/Spanish language proficient preferred

Position Offers:

- Generous benefit package
- Valuable nutrition/breastfeeding training experience
